## EXPERIENCE

### Woodland Elementary School, Milford, MA - Substitute Assistant Principal

August 2015 - PRESENT

Responsible for all areas of student behavior including deescalating, redirection, and disciplinary actions; including parent contact when necessary. Assist in scheduling and administration of state and district assessments. Support the principal in the overall administration of the school.

### Woodland Elementary School, Milford, MA - STEAM Teacher

August 2015 - PRESENT

Created and implemented STEAM curriculum for third and fourth grade students. Provide direct instruction on the principles of STEAM and provide expanded learning opportunities for students to develop STEAM skill sets and focus on occupations that require a significant level of STEAM knowledge and skills. Collaborate with classroom teachers to provide opportunities for high-quality implementation across all content areas.

### Woodland Elementary School, Milford, MA - Enrichment Teacher

August 2014 - June 2015

Designed and implemented third and fourth grade pull-out enrichment curriculum in the areas of writing, math, and STEAM. Served as a resource person for classroom teachers in their efforts to provide general enrichment activities, higher-level thinking skills, and independent investigations within individual classrooms.

### Woodland Elementary School, Milford, MA - Grade 4 Teacher

August 2005 - June 2014

Coordinate and effectively implement the Milford Public Schools' district-wide curriculum for all content areas. Integrate technology, including Smartboard and document camera, into lessons to maximize learning experience. Utilize a variety of classroom management techniques to promote school's social and academic expectations. Attend professional development opportunities to improve teaching strategies. Collaborate with colleagues to ensure high-quality lessons.

## EDUCATION
